

PC WORKSTATIONS

CLI-PC-1MON / CLI-PC-4MON

Designed to be the ideal security installation PC workstation these DVS products have been designed specifically for a security monitoring purpose and therefore truly optimised.

Powered by the Intel® Core® i7-7700 Kaby Lake processor these PC workstations deliver heavily on performance, features and stability without compromising on quality or price.

Packaged in a mid-tower pedestal chassis, the DVS PC Workstations features front facing USB ports and a 260W 80% Plus Bronze Certified efficient power supply.
(H: 372mm D:428mm W:175mm)
