

Wireless arming devices

Partcode **KEYFOB-WE**

Key features

4 button with 8 button functions	✓
System status display	✓
Set one or all areas per button	✓
Unset one or all areas per button	✓
Hold up function	✓
Activate output automation	✓
Lock and unlock buttons	✓

Electrical specifications

Transmission frequency	868MHz, FM transceiver
Transmission method	128-bit encrypted radio protocol
Range in open space	300m
3V lithium battery included	BATT-KF1215 3V
Minimum battery life (years)	1

Weight & dimensions

Weight	28g
Dimensions	72 x 30 x 20mm
Warranty (years)	2

Certifications

Electrical conformity	CE
EN50131	Grade 2
Environmental class	II
SAP Code	361300156

Partcode **LEDRKP/WHITE-WE**

Technical characteristics

Plastic keypad with LED icon display	✓
Integrated prox reader	✓
Entry and exit tones	✓
Backlit keys	✓
Dedicated keys for automation output control	4
3V / 5A Lithium battery included	BATT-ES1
Signal Strength indicators (SSI)	✓

Certifications & warranty

Electrical conformity	CE
EN50131	Grade 2
Environmental class	II
Self-certified	Self-certified
Warranty (years)	2
SAP Code	361300157

Accessories

BATT-KF1215 3V
SAP Code: 361300167
Battery for KEYFOB-WE

EUR-PTAG
SAP Code: 361300089
