

# All-Rack®

## 2 Part/Hinged wall rack

ALL-RACK 2 part hinged 550mm deep racks are our most versatile rack. It can swing open when mounted to a wall providing easy access to the rear of the cabinet. Thus making it easier to install and maintain your equipment. Lockable and removable side panels provide extra security and easy access to the left and right of the rack.

### Highlights

- **Double section structure**  
Swing frame allows the cabinet to swing away from the wall for easy access to equipments and cabling.
- **Sturdy welded construction**  
Fully welded and assembled.
- **Loading capacity**  
The loading capacity is up to 60KG.

### Features

Welded structure can be easy assembled.

Slots in back ensure convenient and quick wall mounting.

120mm\*120mm fans can be preinstalled on the top cover. Relevant fan tray suit to all safewell wall mounted cabinets. (Brush panel is optional for cable entry panel.)

Swing frame allows the cabinet to swing away from the wall for easy access to equipment and cabling.

Removable side panels simplify your installation of accessories and monitoring of IT equipment.

L-shaped spring pin make it fast to install front door to the frame and easily to change door opening direction.
