XRCEILING100

ADJUSTABLE DROP FLAT SCREEN CEILING MOUNT

XRCEILING100 is a flat screen ceiling mount that features a tool-less adjustable drop and an easy screen tilt, suitable for screens up to 27" with a max weight of 10kg. The adjustable drop allows the screen to be mounted at a selection of pre-set heights and integrated cable management helps to create a tidy install.

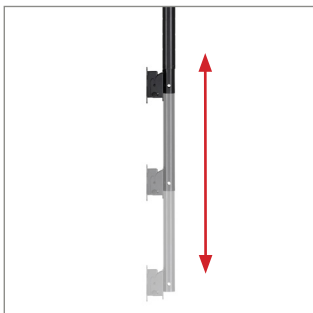

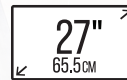

SPECIFICATION

Recommended screen size	up to 27"
Max load	10kg
VESA® compatibility	up to 100 x 100
Tilt	+17° / -10°
Ceiling drop (to the centre of the interface)	822mm - 1472mm
Ceiling plate diameter (without cover plate)	120mm
